PROFILE

Computer Engineering graduate (Pokhara University, 2026) with hands-on experience in Full Stack web development, WordPress, WooCommerce, SEO, and AI/ML engineering. Delivered live client projects spanning business incorporation platforms, compliance services, and migration consulting sites. Built one of Nepal's few open-source NLP tools for the Nepali language (17M+ speakers). IBM-certified in AI Fundamentals. Comfortable taking ownership of projects end-to-end — from architecture and development to deployment and SEO optimization.
